*“if the unexpected strikes, you’ll know you’re covered”*

## Health insurance plans designed for people living in the Gulf

Whether you live in the Emirates, Bahrain, Oman or Qatar, you'll appreciate that you and your family are a long way from the benefits of your home country's health service.

That means the standards and ease of medical treatment that you have been used to might simply not be available to you where you live and work today. And any state healthcare that is available free to you may be basic at best! So when it comes to health matters, are you fully prepared for the unexpected?

### Consider these very important questions:

- A sudden illness or medical emergency can occur anytime, anywhere – are you and your family protected or will you just hope for the best?
- If you have an existing medical condition, can you afford treatment for it? And are you covered for it?
- What would happen if you fell ill in a region where there are no proper medical facilities?
- If you were unfortunate enough to develop cancer, could you afford the treatment and care costs?
- Will your income cover the possibly very substantial costs of the medical treatment that you or your family members might urgently need?

The solution to all these potential problems is right here via the protection of the AXA Health Perfect series of private medical insurance plans. These high quality plans have been created specifically for the part of the world in which you live and work.

## Designed to protect you against the unexpected

The Health Perfect series of medical insurance plans is specifically created to meet the needs of people living and working in the Gulf states.

From the moment you take out an AXA Health Perfect plan you'll have prompt access to the worldwide AXA network of high quality medical providers.

# Your questions answered

## Do you allow direct billing from day one?

Yes and under all our health plans (within the AGCC).

## Will I be covered for any illnesses they've had in the past?

Yes, provide you declare them on the application form. We guarantee to cover related treatment up to the amount shown under the pre-existing condition benefit of your plan.

## Will we be covered for long-term illnesses?

Yes, maintenance of chronic conditions is covered up to the amount shown on the chosen plan under the Chronic Condition benefit – provided the condition first arose after your policy became effective. Otherwise, if it is a pre-existing chronic condition it will be covered under the pre-existing condition benefit of your plan. Cancer cases are handled differently from other chronic conditions. Major treatment for cancer is covered in full under the main benefits of your plan.

## How can I be sure that I am covered before I go ahead with treatment?

Just contact our customer service team with the details of the proposed treatment. They'll confirm the cover before any treatment costs are incurred.

## Am I protected if I travel outside my chosen area of cover?

Under Health Perfect plan 1 you are covered worldwide. Health Perfect plans 2, 3, 4, 5 and 6 will cover you and your insured family members for emergency medical treatment outside your area of cover – please refer to the benefits table for the level of cover applicable to your chosen plan.

## Can my children be covered too?

Yes, for an additional premium you can include any unmarried children under the age of 21 on the policy. When they reach the age of 21, they will need to take out their own policy.

## Can I choose where I get treatment?

Yes, you can visit any medical practitioners within your area of cover, provided they are registered. We have contractual agreements with a number of medical centres where we have preferred rates. Use of the network applicable to your plan will minimise delays in settling any claims you may need to make.

## What is the AXA network in the AGCC?

AXA works in the region with a wide network of high quality clinics and hospitals. These fall into four different categories referred to as STAR PLUS, STAR, Diamond and Crystal network. Please contact us for further details.

## Do you always pay claims in full?

All claims are paid on a 'reasonable and customary' basis. If the cost of the treatment of any illness or injury is above the usual cost for the same treatment in the same area, we may not be able to settle the claim in full.

Within the AGCC, 'reasonable and customary' is based on the average of our negotiated, discounted, costs within the network shown for your plan, STAR PLUS, STAR, Diamond or Crystal network. Outside the AGCC, 'reasonable and customary' is defined as the average, negotiated, discounted cost within the global network for that country or region.

## Will I be penalized if I go outside the AXA network?

If you go outside the AXA network no additional penalty is applicable but we may not be able to settle the claim in full where the cost is higher than the 'reasonable and customary' for your plan. Please note we may not always be able to arrange direct settlement facilities outside the network.

## What happens if I move to another country?

Contact us and we will, wherever possible, help you to transfer to another appropriate AXA PPP healthcare policy without any additional medical underwriting – If you leave your principal country of residence. (Please note that we are obliged to meet legal requirements around the world and, as with all providers, cannot absolutely guarantee availability in all countries.)
